### ◆ EDUCATION

As of 2025, I'm a Class 10 student actively mastering digital skills through self-learning. Proficient in web development (HTML, CSS, JavaScript, Python), WordPress, and AI tools. Experienced with design and editing software like Photopea, Inkscape, Lightroom, Canva, DaVinci Resolve, CapCut, and Blender. Skilled in SEO, YouTube SEO, CPA Marketing, Meta & Google Ads, and content creation. Also well-versed in MS Office tools.
